

Be Passionate!

Scripture: Acts 26:19–23

Introduction: As Paul spoke boldly before King Agrippa, he never lost sight of his heavenly vision. As leaders, we often become overwhelmed with ministry, but we do not need to burn out. Paul models the passion of fulfilling a God-given dream. Here are three questions we can ask ourselves when the flame of passion for our ministry needs to be rekindled.

Question #1: What has God called me to do specifically for Him?

Question #2: Am I being faithful to share the Word of God to those entrusted to me?

Question #3: Do I ask for God's help daily to achieve the impossible task set before me?

Conclusion: What are we waiting for? Let's go and change the world in the name of Christ!
