

## **Communicating Christianity**

**Scripture:** 2 Corinthians 5:17–21

**Introduction:** Christians are God's ambassadors in this world. They have been given the *message* of reconciliation, *ministry* of reconciliation, and are the *models* of reconciliation. As Christians we communicate Christianity by:

1. **Our Lives.** Conversion produces a radical change in the character, conduct, and career of one who believes.
2. **Our Lips.** Changed lives cause those around us to ask what happened to us. We respond by sharing our conversion experience.
3. **Our Loyalty.** Daniel, Joseph, Moses, Paul, and the three Hebrew boys illustrate this principle.
4. **Our Love.** Jesus told His disciples that all men would know they belonged to Him because of their love for one another.
5. **Our Labor.** Christians are to maintain good works and to always abound in the work of the Lord.

**Conclusion:** Are you a Christian communicator?
